

Avoiding

DISASTER

Following God - More Than A Good Idea

“The way of peace they have not known.”

1 Corinthians 1:26

God's way is the way of peace. His plan for your life is to *prosper you and not to harm you, to give you hope and a future.* Jeremiah 29:11 The closer we follow God's plan, the less adversity we encounter.

Following God's plan for your life is not just a good idea or some little religious thing religious people do. For one thing, it's how we miss a lot of adversity and destruction.

“There is a way that seems right to a man, but its end is the way to death.” Proverbs 14:12

People get into trouble when they don't look to God for direction. God has been around forever. He knows the best paths to take.

Listen To God And Be Safe

It's not God's will that anyone perish. People perish by trying to figure everything out on their own. God said, *"If you lack wisdom, ask and I WILL GIVE it to you freely!"* James 1:5

Some people are trying to figure out what God is trying to teach them through the crisis, when in reality, God wanted to talk to you BEFORE the crisis came about how to avoid it! So many people are not looking to God for direction; they're just doing whatever they feel like and whatever they want to do. Then when they encounter adversity, they wonder why God allowed it to happen.

"In the last days perilous times shall come."
2 Timothy 3:1 If we listen to God by reading the Bible and praying, He will guide us through these last days safely. Psalm 91:15

Jesus said,

What does it profit a man if he gain the whole world and lose his own soul?

Salvation Prayer

Jesus, I believe in You. I believe You died for my sins. I believe God raised You from the dead. I know that I am now saved because You did not lie. I will spend eternity with You. Thank You, Jesus. Amen.

John 3:16

God so loved the world that He gave His only Son, that whoever believes In Him shall not perish, but have everlasting life."
