

*Change Your
Words,*

**CHANGE YOUR
WORLD**

You Shall Have What You Say

God spoke, and the scenery changed! He said, “Let there be light,” and light came on the scene at a hundred and eighty six thousand miles a second! God created the universe with His words. Hebrews 11:3

As children of God, we have the God-given capacity to change our scenery too. “*Death and life are in the power of the tongue.*” Proverbs 18:21 Jesus said we shall have whatever we say, if what we say is what we believe in our heart. It may not happen immediately, but if we keep believing and saying the same thing, it will come to pass. Mark 11:23

Our words are like the steering wheel in our car. We go in the direction of our ongoing confession. If we don’t like the road we’re on, we can turn the wheel. See James 3.

Saying Comes Before Seeing

God wants us to enjoy His many provisions, but He has to get us talking and believing right so they can show up in our lives. Even salvation requires that we believe in our heart, and say with our mouth, that Jesus is Lord; and that God raised Him from the dead. Then salvation happens. Romans 10:9-10 Studies of cancer patients have shown that spontaneous remission occurs most often in patients who curse and revile their tumors! Jesus cursed a fig tree, and it dried up from the roots. Then He said, “who-soever” could do similar things against problems in their life. Many think this is crazy, but if our Father does it, why wouldn’t His kids have some of this in them? They do! Jesus said so. When love is your motive, and you believe what God said, and say it, things change!

Jesus said,

What does it profit a man if he gain the whole world and lose his own soul?

Salvation Prayer

Jesus, I believe in You. I believe You died for my sins. I believe God raised You from the dead. I know that I am now saved because You did not lie. I will spend eternity with You. Thank You, Jesus. Amen.

John 3:16

God so loved the world that He gave His only Son, that whoever believes In Him shall not perish, but have everlasting life.”
