

Don't Blame
God

Love (God) Works No Ill To His Neighbor

“Jesus did NOT come to destroy men’s lives, but to SAVE them.” **Luke 9:56**

Many people are not wanting to believe in God because they have heard wrong things about Him. Even some preachers have preached things that are not true. Jesus Himself said He did not come to destroy men’s lives, but to save them! Jesus is called Emmanuel, which means, GOD WITH US! God is seen in how Jesus lived. Jesus never once made someone sick to teach them something. Jesus never caused one storm, but He did calm storms. Jesus did not come to destroy, which means God is not in the destroying business!

Accidents, disease, sickness, death and disasters come as a result of the fall of man.

Satan Is The Oppressor

“Jesus went about doing GOOD and HEALING all who were oppressed of the devil.” Acts 10:38 Jesus is the Healer; Satan is the Oppressor. Those who don't know this will have a hard time getting healed and freed from their afflictions. When they should be resisting the things of the devil, they will just roll over and *hope* things get better.

James 4:7 says, *“**Resist** the devil (anything of the devil) and He will flee from you.”* You are not going to **resist** something you think might be from God, and if you don't **resist**, it won't leave you! See 1 Peter 5:9.

Insurance policies that say destructive storms are acts of God are wrong. Jesus rebuked a storm, and it became calm. He would not rebuke an act of His Father God.

Jesus said,

What does it profit a man if he gain the whole world and lose his own soul?

Salvation Prayer

Jesus, I believe in You. I believe You died for my sins. I believe God raised You from the dead. I know that I am now saved because You did not lie. I will spend eternity with You. Thank You, Jesus. Amen.

John 3:16

God so loved the world that He gave His only Son, that whoever believes In Him shall not perish, but have everlasting life."
