

Why Didn't My Prayer Work?

Faulty Prayer Is Not God Saying No

Ask in faith, nothing doubting. James 1:6

Just because a prayer didn't work doesn't mean God said "no" to your request. God tells us that when we pray we **MUST** believe that He heard us, and that the request **IS** granted, even if it looks like nothing changed. This is why, before we pray, we **MUST** have Bible verses that promise us what we are praying for. Jesus said, "*If you live in Me, and My Words live in you, then you shall ask what you want, and it shall be done for you.*" John 15:7

It's not enough to just have a need or desire; we must know that what we want is God's will. God's Word **IS** His will! Find Scriptures where God says He wants you healed, strong, full of Joy, full of peace,

Know What God Says, Then Pray

free from fear, prosperous, or whatever your need. Then you will be ready to stand against the devil. He will try to get you to doubt God's faithfulness to give you what He said in His Word that He wants you to have.

Many people are not ready to pray. They have a need, but they have no foundation of the Word of God in them. Jesus said when His Word lives in us, we will have good results in our prayer life. If you need healing; find Scriptures that promise you healing, there are many of them. If you need help with relationships, or family help, there are many Scriptures for this as well. FIND THEM! You will be able to pray with strong confidence when you know what God has said about your situation.

Ask and you SHALL receive. John 16:24

Jesus said,

What does it profit a man if he gain the whole world and lose his own soul?

Salvation Prayer

Jesus, I believe in You. I believe You died for my sins. I believe God raised You from the dead. I know that I am now saved because You did not lie. I will spend eternity with You. Thank You, Jesus. Amen.

John 3:16

God so loved the world that He gave His only Son, that whoever believes In Him shall not perish, but have everlasting life.”
