Second Looks Are The First Step

Many don't know it, but they are on the road to committing adultery. Committing adultery is something many believed they would never do. If they would have known the little things that lead up to adultery, they could have avoided it. Hence this tract. Knowing how to commit adultery will show you WHAT NOT TO DO to stay far away from this devastating deception.

How To Commit Adultery

1. Look when you shouldn't. Second looks at that attractive person who's married, or single and you're married, is the first step. King David looked at Bathsheba and the pull began. Eve looked at the tree God said stay away from, and she was drawn in. Job said, "*I made a covenant with my eyes not to look with lust at a young woman.*" Job 31:1

Innocent little looks are dangerous. Even if you don't go all the way, it's still messing with your faithfulness toward your spouse, or theirs; and will get you deeper in this trap.

2. Think about what it would be like to get closer with them. No one committed adultery without thinking about it first. Nipping it in the thought life is easier than cutting down a redwood tree of affection and emotion after it grows. God said, "*The THOUGHT of foolishness is sin.*" Proverbs 24:9 It doesn't have to get to the action stage to be sin.

3. Facebook, e-mail, text them or call them and it will only be a matter of time before you will start finding things wrong with your spouse, and want to be with the other person.

Run from sexual sin! 1 Corinthians 6:18

Jesus said,

What does it profit a man if he gain the whole world and lose his own soul?

Salvation Prayer

Jesus, I believe in You. I believe You died for my sins. I believe God raised You from the dead. I know that I am now saved because You did not lie. I will spend eternity with You. Thank You, Jesus. Amen.

John 3:16

God so loved the world that He gave His only Son, that whoever believes In Him shall not perish, but have everlasting life."
